

Gear up and prepare yourself in the search for the
Bukit Timah Monkey Man!

1. Avoid the fatal kisses of mosquitoes!
Put on some environmental friendly
insect repellent.

2. Leave the killer stilettos at home. Think
trekking attire!

3. Drink lots of water. If you pass out from
dehydration or heat stroke, we don't
know what we'd do to you... Hurrhurhur!

4. Visit the restroom first, unless you
consider the bushes an option. Eeeww!

5. Plan early. You don't want to be left
behind after we've moved off!

6. Bring an umbrella. These days, you can
never be too sure about the weather,
can you?

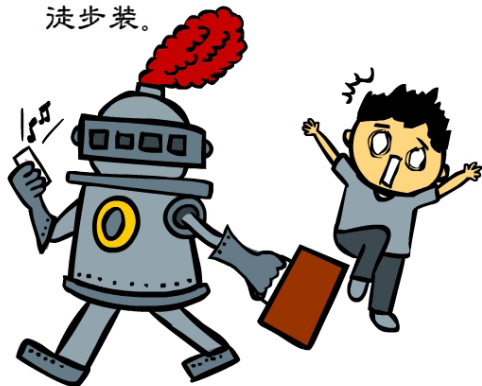

在出发“寻找”“武吉知马猿人”之前， 你准备好了吗？

1. 不想接受蚊子的夺命之吻就涂上一些环保驱蚊剂吧。

2. 脱掉高跟鞋，换上绚丽的户外徒步装。

3. 多喝水。如果你中暑的话，我们不保证自己不会对你做些什么。（窃喜）

2. 除非你想在丛林间解决。。。不然请先上厕所！

6. 在哪里？在哪里？若你迟到，我们不等你！

6. 还是带把伞吧，因为天有不测之风云。
